

RESTRICTED & PROHIBITED ITEMS

Cross-Border Shipments

Shipping from Canada to US? Learn what you can and can't ship.

As the shipper, it's your responsibility to ensure your shipment complies with regulatory standards and Day & Ross requirements.

Restricted Items

Restricted items require approvals from our Operations, Safety & Compliance, Legal, or Risk Management teams. If your shipment contains any of the **Restricted Items** listed below, contact us before you request a quote or create a shipment.

- Artwork/Antiques/Statues
- Batteries
- Excess weight shipments (cannot exceed capacity of handling equipment, e.g. over 3000 lbs per handling unit)
- Granite/marble/glass sheets
- Liftgate/power tailgate service (cannot exceed rated capacity of liftgate, i.e. 2500 lbs, and subject to dimension restrictions)
- Temperature Controlled
- Temporary Import Bonds (TIB), Carnet (International Customs Document) or E29B (Canadian Temporary Admission Permit) shipments
- Trade Show Shipments
- Volume LTL shipments (over 20' or 20,000 lbs)

Dangerous Goods

- Explosives Class 1 – **Prohibited** except 1.4 and 1.6
- Nitrous Oxide Class 2.1, 2.2 and 5.1 - **Prohibited**
- Toxic Gases Class 2.3 – **Prohibited**
- Nitrocellulose (Guncotton) Class 3 & 4.1 – **Prohibited**
- Toxic and Infectious Substances Class 6 – **Prohibited**
- Placardable Radioactive Materials Class 7 – **Prohibited** except products that meet TDG regulation 1.17 and do not require placards (e.g. smoke detectors, survey equipment, and medical equipment)
- Hazardous Waste that falls within any class – **Prohibited**

Personal Effects & Household Goods

If your shipment contains **personal effects** or **household goods**, we won't be able to accept it. Due to increased border security regulations, these shipments **are prohibited**.

Prohibited Items

Day & Ross **does not ship** any of the **Prohibited Items** listed here.

- Alcohol/Spirits/Beer/Wine
